

HCA 2016 FORUM & EXHIBITION PREVIEW

Visit R H Hall – the home of Foodservice Innovations – on Stand 4 at the upcoming HCA Forum!

At this year's event R H Hall will be demonstrating some new and exciting products to join their range for 2016, as well as some of the current innovations proving successful in the healthcare market.

New for 2016, the New Covent Garden Soup Server is a unique and innovative soup dispensing system that allows 100% natural soup to be served with minimum effort and guaranteed results - from crop to cup! It's a great way to get soup on the menu 24/7, 365 days a year! The ideal choice for a wide range of foodservice environments, including healthcare, this innovative and unique solution is incredibly easy to use and can be set up for back or self-serve, with a variety of payment options, creating a fantastic opportunity for additional revenue in any establishment.

In addition, joint event sponsors iWave will be showcasing their range of plated meal solutions, already proving successful in many establishments across the healthcare industry. Using the latest microwave technology, the system provides a unique, fully encrypted, bar coded meal solution which is suitable for a number of applications including hospital ward service, vending outlets and more. The product is a world first, and available exclusively through R H Hall.

R H Hall are approved suppliers for HCA, HefmA, NHS Supply Chain and ESPO – with a proven track record of supplying foodservice solutions for many healthcare establishments.
