

Ceramic grills and Griddles

The new ceramic plate technology avoids food sticking to the grill plates, making cleaning quick and simple.

APPROVED MAESTROWAVE SUPPLIER

MEMT17000 Ceramic Single Flat Contact Grill

This latest design features new ceramic plate technology, meaning food will not stick to the inside of the grill, making cleaning simple. This grill makes an easy job of toasting sandwiches, rolls, baguettes and bagels amongst other foods as well as popular jambalaya type dishes. The grill is hard-wearing and extremely simple to use.

Dimensions:	400W 430D 520H (open) mm
