

# Panini/Contact Grills

Maestrowave offers a range of tabletop Panini/Contact Grills and Griddles for every possible catering need. Grills are available with either cast iron or ceramic plates - both having their own distinct advantages. Ceramic reduces the amount of food and carbon sticking to the plates whilst cast iron is renowned for its heat retention properties. Both ceramic and cast iron grills are available with ribbed and/or flat plates, dependent on your preference.

There is also the option of non-stick plates which offer all the benefits of cast iron but with the advantage of being extremely easy to clean.

## SINGLE PANINI/CONTACT GRILLS

### MEMT16000X Single Ribbed

This single compact sized grill, incorporating cast iron ribbed plates, is suitable for cooking both fresh and frozen foods direct from the fridge or freezer. The ribbed plates give an authentic tantalizing grilled appeal to any food.

**MEMT16000XNS** as above but with impregnated non-stick plates\*.

### MEMT16002X Single Flat

This grill features flat cast iron plates for retaining heat and is compact to fit any kitchen. It is hard wearing and both easy to use and clean.

**MEMT16002XNS** as above but with impregnated non-stick plates\*.

### MEMT16001X Single Ribbed Top, Flat Bottom

**MEMT16001XNS** As above but with impregnated non-stick plates\*.

<b>Dimensions:</b>	310W 380D 460H (open) mm	
<b>Weight:</b>	15kg	<b>Grill area:</b> 295 x 250 mm
<b>Thermostat:</b>	0-300°C	<b>Loading:</b> 1.8kW

## DOUBLE PANINI/CONTACT GRILLS

### MEMT16050X Double Ribbed

With all the features of the single ribbed grill, this double ribbed version gives twice the amount of cooking area, ideal for the larger operation.

**MEMT16050XNS** as above but with impregnated non-stick plates\*.

### MEMT16053X Double Flat

Combining a large cooking area and flat cast iron plates, this grill is sturdy and hard-wearing. It offers all the features of the single flat grill, but with double the productivity.

**MEMT16053XNS** as above but with impregnated non-stick plates\*.

### MEMT16051X Double Half Flat, Half Ribbed

For the best of both ribbed and flat plate cook requirements, this model offers both options in one double unit. One side flat top and bottom the other ribbed top and bottom. Hey presto!

**MEMT16051XNS** As above but with impregnated non-stick plates\*.

### MEMT16052X Double Ribbed Top, Flat Bottom

**MEMT16052XNS** As above but with impregnated non-stick plates\*.

<b>Dimensions:</b>	630W 380D 460H (open) mm	
<b>Weight:</b>	29kg	<b>Grill area:</b> 610 x 250 mm
<b>Thermostat:</b>	0-300°C	<b>Loading:</b> 3.6kW (2x13 Amp)
