

# Pizza oven/Grills

Maestrowave offers a range of individual equipment solutions ideal for the more compact kitchen including pizza ovens, quartz and salamander grills. All equipment is robust and boasts small footprints to maximise space and productivity in the kitchen.

### MEMT15050 Compact twin deck pizza oven

This ingenious and resilient piece of equipment is so simple to use, cooking frozen pizzas to perfection in only ten minutes. The oven features two 12" pizza pull out drawers for easy access, adjustable temperature controls and alarm timer.

<b>Dimensions:</b>	440W 380D 270H mm
<b>Finish:</b>	Stainless steel structure, pans & cooking racks
<b>Loading:</b>	1.7kW
<b>Capacity:</b>	Two 12" pizzas

### MEMT14000 Compact quartz grill

This grill has a stainless steel shell and a compact structure making it suitable for the smaller kitchen. It has recently undergone a re-design and now features an accelerated heat up feature; with dual temperature controls, you have total power over precision cooking.

<b>Dimensions:</b>	430W 220D 230H mm
<b>Finish:</b>	Stainless steel structure
<b>Loading:</b>	1.9kW

### MEMT12900 Large radiant salamander grill

This grill has the same features as the Compact Quartz Grill – stainless steel shell, accelerated heat up feature and top and bottom element controls. It has a larger footprint, making it a great choice for the larger kitchen.

<b>Dimensions:</b>	590W 290D 290H mm
<b>Finish:</b>	Stainless steel structure
<b>Loading:</b>	3.0kW
